D (bar)  
I didn't want it heavy,  
C (bar)  
or to be too complicated,  
G (bar)  
when I saw her  
F(bar)  
eating lunch all alone.

D (bar)  
So I walked up to her table,  
C (bar)  
I'm sure said something stupid,  
G (bar)  
and she just stared down  
F (bar)  
at her phone.

D C9  
It seemed as if ice flowed through her veins,  
Asus A  
like she was feeding on some unresolved pain.  
D C9  
Like she's guarding her heart,  
G G (d d) AA A (du d)  
with a barbed wire fence.

D (bar) C (bar)  
Well that fence is running miles along,  
G (bar) F (bar)  
everything I'm trying is wrong.  
D C9  
I can't seem to get on over  
F (bar) G (bar)  
that barbed wire fence.

D C9  
My mind is telling me to act strong,  
Asus A  
my heart is happy playing along,  
D C9  
but I can't seem to get on over  
G G G G (d d d d d) A AaddD AaddE  
that barbed wire fence.

D C9  
The cloudy skies are setting the tone,  
Asus A  
I'm so damn tired of being alone,  
D C9  
but I can't seem to get on over  
G G G G (d d d d d d d) A AaddD AaddE  
that barbed wire fence.

D (bar)  
I didn't ask for trouble,  
C (bar)  
but it all seems so heavy,  
G (bar) F (bar)  
and I just can't face it alone.  
D (bar) C (bar) F(bar) G (bar)  
Scarring my heart, on that barbed wire fence.

D (bar)  
So another many weeks passed,  
C (bar)  
and I walked up to her table,  
G (bar)  
and I'm sure said something stupid,  
F(bar)  
I know.

D (bar)  
But before she had an answer,  
C (bar)  
to a thousand unasked questions,  
G (bar)  
I mentioned that she can't  
F(bar)  
answer no.

D (bar)  
I declared I wasn't put off  
C (bar)  
by her barbed wire fence.  
G (bar)  
Didn't sense her faint smile  
F(bar)  
proved me wrong.

D  
So I asked her to the movies,  
C9  
or maybe just a coffee,  
Asus  
and I offered she could  
A  
bring it along.

D  
I said I'd be fine,  
C9 G GGGGGG G G (d dududu d d) AA (or A AaddD AaddE)  
sittin' on that fence.

D  
So it seems the ice was broken,  
C9  
that fence was just a token,  
Asus  
Of a time not yet  
A  
put to rest.

D (bar)
