1

G

In the morning when you rise,

G

Do you open up your eyes, see what I see?

G

Do you see the same things ev'ry day?

G

F

Do you think of a way to start the day

Em

Getting things in proportion?

C

D

F

Spread the news and help the world go 'round.

G

Have you heard of a time that will help us get it together again?

G

Have you heard of the word that will stop us going wrong?

G

F

Well, the time is near the word you'll hear

Em

When you get things in perspective.

C

D

F

Spread the news and help the word go 'round.

Em G

C **Am**
There's a time and the time is now and it's right for me,

F **C** **G**
It's right for me, and the time is now.

C **Am**
There's a word and the word is love and it's right for me,

F **C** **G**
It's right for me, and the word is love.

G
Have you heard of a time that will help get it together again?

G
Have you heard of the word that will stop us going wrong?

G **F**
Well, the time is near and the word you'll hear

Em
When you get things in perspective.

C **D** **F**
Spread the news and help the word go 'round.

Em G

C **Am**
There's a time and the time is now and it's right for me,

F **C** **G**
It's right for me, and the time is now.

C **Am**
There's a word and the word is love and it's right for me,

F **C** **G**
It's right for me, and the word is love.
